

CEO **FIAT** « *All the things that have been discussed by other industry participants will materialize* » referring to self-driving cars and the arrival of disruptive new players, such as Uber – [source](#)

CEO **RENAULT NISSAN** « *I don't think it is going to be this cold & unpersonalized space that everybody shares. It may be a very important objective for Uber, because it is their model... Why am I going to change the way I develop my cars for something that is not the main objective?* » - [source](#)

CEO **PSA** open for a partnership with (GAFA) companies...only if PSA maintained its relationship with the end customer - [source](#)

CEO **VW Europe** « *Not Silicon Valley Should Take the Lead in Auto Tech* » - [source](#)

CEO **DAIMLER** « *Our impression was that these companies can do more and know more than we had previously assumed* » - [source](#)
